Publication while in Najran University :

Administrative Tasks :

- Member of the Cultural and Artistic Activity Committee at the College of Science and Arts in its Bishara (1433-1434 AH)
- Member of the College's Educational Affairs Committee (1434-1435 AH).
- Member of the Equations Committee, Department of Mathematics (1434-1435 AH).
- Responsible for the Educational Follow-up Committee, Department of Mathematics (1434-1436 AH).
- Secretary of the Mathematics Department Council (1435-1436 AH)
- Reporter of the Graduate Studies Committee at the College of Science and Arts in Bashura (1436-1437 AH)
- Responsible for the College Control Committee for the Mathematics Department (1436-1438 AH)
- Member of the Student Activity and Community Service Committee, Department of Mathematics (1437-1438 AH).
- Member of the Study and Examination Schedules Committee, Department of Mathematics (1438-1441 AH).
- Coordinator of the Website Committee, Department of Mathematics, Academic Year (1437-1439 AH)
- Member of the Graduate Studies and Scientific Research Committee at the College (1441-1442 AH)
- Official of the examination paper committee at the Mathematics Department (1440-1441 AH).
- Responsible for the Scientific Research and Meetings Committee, Department of Mathematics (1439-1442 AH).
- Member of the Skills Development Committee in the College (1441-1442 AH).
- Member of the College Scholarship Committee (1441-1442 AH).

Activities regarding quality of higher education :

- Academic advisor at the Department of Mathematics (Boys) for the academic year 1440-1434 AH
- Coordinator of the Academic Advising Committee, Department of Mathematics, 1440-1437 AH
- Responsible for the Fourth Standard Committee, Department of Mathematics (Teaching and Learning Standard) 1442-1438

- Responsible for the seventh standard in the Mathematics Department (Standard of Facilities and Equipment) 1440-1438 AH

Participation in workshops

- A workshop entitled "Standards of Quality Assurance in Teaching and Learning"
- A workshop entitled "Academic Standards for Educational Programs"
- A workshop entitled "Modern trends in teaching"
- A workshop entitled "Measurement and Evaluation of Learning Outcomes"
- A workshop entitled "E-learning management"
- A workshop entitled "Accelerated Learning"
- A workshop entitled "Effective and Modern Orthodontic Methods (Reality and Ambition)"
- The first academic leadership forum workshop entitled "Success experiences and development aspirations"
- A workshop entitled "Educational Modules Strategy"
- A workshop entitled "Teaching based on the Learning Dimensions Model."
- A workshop entitled "Academic Development Forum"
- A workshop on the use of teaching and learning techniques
- A workshop entitled "Improved Standards for Quality Assurance and Program Accreditation and the requirements for their fulfillment"
- A workshop entitled "Professional Teaching Competencies"
- A workshop entitled "Rubric Ladder"
- A workshop entitled "Managing the Learning Environment"

Courses (trainer/ trainee)

- Training course entitled "Vision and Mission"
- A training course entitled "Course Description"
- A training course entitled "The Use of Modern Technology in Teaching"
- Training course entitled "Quality Assurance and Academic Accreditation"
- A training course entitled "Strategic Planning in Higher Education"
- Training course entitled "How to formulate learning outcomes"
- A training course entitled "Active Learning Strategies"
- Training course entitled "Introduction to Mathcad"

- A training course entitled "Preparation and design of achievement tests in accordance with quality standards"
- Training course entitled "Building achievement tests"
- Training course entitled "Building an Electronic Questionnaire"
- A training course entitled "Measuring Learning Outcomes"
- A training course entitled "Professional Tools for Integrating Technology into the Educational Process"
- Training course entitled "Word Processing"
- A training course entitled "Effective Communication Skills"
- A training course entitled "Network Communication Skills"
- An online training course entitled "Building Research Ideas"
- An online training course entitled "Preparing to discuss the message"
- Training course entitled "Scientific Poster"
- Training course entitled "Creative Leadership"
- Training course entitled "Leaders of Academic Departments"

Supervision over extra-curricular activities:

- Participation in the activities and programs of the Mathematics Club at the College of Science and Arts, 1440-1437 AH
- Participation in the activities of community service and continuous learning programs in its evils 1440-1434 AH
- Participation in the "High Schools Encounter" program within the activities of the Mobaderoon Program (25/7/1439 AH)
- Participating in the success of the "Ceremony for Outstanding Students and Field Education Students" (1439-1440 A.H.)

Scientific missions:

- **Presenting** a scientific lecture at the Mathematics Club at the College of Science and Arts in its glory (date 1/25/1438 AH) The title of the lecture: "Some Facts and Masterpieces of Mathematics"
- **Presenting** a scientific meeting at the Department of Mathematics - Sharurah "Seminar" (dated 3/2/1438 AH) on the "PhD Thesis Proposal" entitled: Vector-valued Gabor frames and Deformation of Gabor systems with orthonormal bases of Gabor frame
- **Registration** as a PhD student in the Mathematics Department / Sudan University of Science and Technology (Date 1/16/2016 corresponding to 4/6/1437 AH)

- **Acceptance** of two scientific papers for publication (date 5/24/2019) in the Sudan Journal of Basic Sciences:
 - **A series of Gabor Orthonormal Bases Generated by the Unit Cubes**, Series (M) and will appear in No (15).
 - **Vector-Valued Gabor Frames Associated with Small Subsets**, Series (M) and will appear in No (16).
- **Discussing** the doctoral thesis in mathematics on 1/6/2019 at the Sudan University of Science and Technology / College of Science - Department of Mathematics under the title:
Vector-valued Gabor frames and Deformation of Gabor systems with orthonormal bases of Gabor frame
- **Presenting** a scientific meeting at the Mathematics Department - Sharurah "Seminar" (on 4/5/1441 AH) with the title:
Issue of Internal Interpolation of the Real Functions By the Finite.
