

Staff Member

General Information

Name	Bodor Ali Bashir Sati	Department	Computer Science
Staff position	Lecturer	Nationality	Sudanese
Phone	-	Email	basati@nu.edu.sa
Specialization	Computer Science	Area of Specialization	Computer Science

Education History

Certificate	Date	Country	University	Study Theme	Note
B.Sc.	16-12-2004	Sudan	Sudan University of Science and Technology	By courses and research	
M.Sc.	23-10-2008	Sudan	Sudan University of Science and Technology	By courses and research	

Academic Titles

Title	Date	Country	University	Note
Lecturer	2008	Sudan	Sudan University of Science and Technology	
Assistant Professor				
Associate Professor				
Professor				

Teaching Courses

Course Name	Teaching Year	Note
Introduction to Computer Science	36-35	
Operating System-2	36	
Software Engineering	36-35	
Multimedia – Practical Section	36-35	
Design and analysis of algorithms-practical section	36	
Graduating Project	37-36-35	
Structural Programming using C++	34	
Programming Fundamental	34	
Object Oriented Programming using Java	37-35	
Design and Analysis of Algorithms	34-33	
Operating system-1 - Practical Section	34	
Database Fundamental	34-33	
Web Based Technologies	34	
Multimedia	34	
Computer Security - Practical Section	34	
Web Based Applications Development- Practical Section	34	
Natural Language Processing - Practical section	37	
Web Based Systems	37	
Special topics in Computer Science	38-37	
System design and analysis - practical section	36	
Compiler design - System design and analysis	37-36	
Introduction to software engineering	38-37	
Graduating project -1	38-37	
Graduating project -2	38-37	

Publication inside Najran Universit

1. "Arabic Text Question Answering from Answer Retrieving point of view: A survey"; International Journal of Advanced Computer Science and Applications, (IJACSA) ; Vol. 7, No. 7, 2016

Publication outside Najran University

1. Mohammed Alhafiz Mustafa, Bodor Ali Bashir; **Designing Arabic Handwritten Segmentation System**; 2009 ; in Journal of Computer Research.

Administrative Positions

Coordinator of Computer Science Department during 34-35 and 35-36

Activities related to the quality of higher education

Member of the quality committee of the department and responsible for the seventh, eighth and ninth standards

Participation in workshops (Trainer / Trainee)

- Attended a workshop entitled "Measuring learning outcomes" during the period from 24-25 / 12 / 1434H with 10 training hours. The program was conducted by the Skills Development Unit at the Development and Quality Unit - Najran University
- Attended a workshop titled "Management of Strategic Plan Projects" during the period from 28-29 / 12 / 1433H with 10 training hours. The program was conducted by the Skills Development Unit at the Development and Quality Unit - Najran University

Training (Trainer / Trainee)

- Attend a training course entitled "Course Description" held on Thursday, 13/11/1434 AH. This course was conducted by the Faculty of Arts Sciences - Najran University
- Attend a training course entitled "Procedures for the preparation of the self-study program" held on Thursday, 13/11/1434 e. This course was conducted by the Faculty of Arts Sciences - Najran University
